

Members Public Liability Insurance

The Yukon Fish and Game Association (YFGA), in partnership with the provinces of Ontario, Alberta, and Saskatchewan have jointly formed the Great North Wildlife Affiliates (GNWA) and are pleased to offer a Personal Liability, Club Liability, Range Liability and Accidental Death Coverages Program.

This insurance coverage is specifically designed for anglers and hunters who join as members of the Yukon Fish and Game Association. When the YFGA office receives your membership fees, the following coverage begins and covers you while engaged in activities **such as hunting, fishing, target shooting, conservation work and non-commercial trapping..**

\$5,000,000 in excess liability coverage that provides coverage for third party bodily injury or property damage to YFGA members while engaged in hunting, fishing, target shooting, non-commercial trapping and conservation work.

The above coverage is excess to any other liability coverage that you currently have (ie. your home owner's insurance). If you do not have home owner's insurance or your home owner's policy denies coverage, this coverage becomes primary coverage.

This policy provides no coverage for automobiles, boats, motors, ATV's or snowmobiles, as this is typically provided through a home and/or auto insurance policy.

There's More!

In addition to the above coverage, YFGA members in good standing also receive two separate Accidental Death & Dismemberment policies (AD&D).

- \$5,000 in AD&D policy while engaged in activities **such as hunting, fishing, target shooting, conservation work and/or non-commercial trapping.**
- \$4000 AD&D Policy which is 24/7 coverage (worldwide).

Note: This is for all members in good standing that are injured while engaged in the activities described above.

The Plan covers:

- YFGA members anywhere in Canada
- The spouse and dependent children (under the age of 25) if a Family Membership has been taken out with the YFGA
